As the years pass, we are going up the hill of education on the highway through S.H.S., the highway paved with the courses of higher learning, with football games, crowning the football sweetheart, school parties, school plays, pep meetings, selecting the school favorites, and many other events which we all enjoy together.

In 1948 we went farther up the hill, gaining more knowledge, enjoying our school activities together. We will never forget the football games we won and lost, the Booster Club being organized, and the reviving of the Stinger. One of the most enjoyable events of the year is the receiving of the annuals. As Editor I would like to thank the sponsors, Miss Hicks and Mrs. Smith, the staff and all the others who have worked so faithfully in making it possible to have this book. May the proud traditions of this school forever live.

ADMINISTRATION BUILDING

To The Blue And The Gold

Here's a toast to Stephenville High,
We her praises ever sing,
Stand and cheer her name once again;
Loudly may the echoes ring.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The spirit of the Gold and Blue.

To the Blue— to the Gold—
To our school and its glorious history;
To our faith— to our zeal—
To the days we remember so joyfully.

To the Blue— to the Gold—
May we carry our banner to victory;
To our hopes— to our dreams—
To the world we shall make ours some day.

Here's to all our glorious past,
Here's to our victories won—
Here's to glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The spirit of the Gold and Blue.

DEDICATION

ANNA MARIE WALLACE

With deep appreciation of her sterling worth, with admiration for her gracious ways, with respect for her Christian character, we lovingly dedicate this edition of the YELLOW JACKET to Mrs. Wallace, our librarian, who loans to us the keys of wisdom's treasure.

Our High School days are coming to a close as we see, not very far away, graduation. As we go out into the world, some who have been together even from the first grade will be separated from each other. This separation, however, can never erase the memories of our days at Stephenville High School.

There is so much for us to remember because every moment has been filled with precious things. Some days have really been outstanding like the first day we came to Stephenville High School in the fall of 1945. We were all a little frightened, but soon everyone was acquainted with all the older students and felt very much at home. Another great day came along at the last of our junior year. We all decided we wanted to have a Junior Day. It was finally agreed upon that we would go to Cisco, and we chartered a bus and went. That day was wonderful; we swam, skated, sang, talked, and ate until we thought we would pop.

We gave a class play each year and they were definitely the highlights of our three years. Mrs. Oscar Frazier, our Sophomore sponsor, directed us in a play called "They Gave Him A Coed". This play was repeated the next year, and those who were in it had twice as much fun as they expected. Mrs. Frazier and Mrs. R. L. Williams were our Junior sponsors who directed us in a play named "Three Little Maids". Our Senior sponsor, Mrs. Rex Nixon, directed us in a play "Murder With Orchids". The name was enough to scare a person, but the play was even more frightening. Chills and thrills brrrr.

All of the activities that have been mentioned and many more that we could never begin to name are reasons for loving and never forgetting our wonderful Stephenville High School and all our friends we made while we were there.

September 8, 1947, eighty-seven members of the junior class were looking forward to a pleasant year reminiscent of the two previous years.

As freshmen we did not enjoy a full year of high school, but came here from junior high school at mid-term. The extent of our activities was the electing of our S. P. C. members and class officers.

Our sophomore year was slightly more eventful. We elected our class officers and presented a play, "The Skeleton Walks". Mrs. Holt and Mr. Troup were our sponsors these two years.

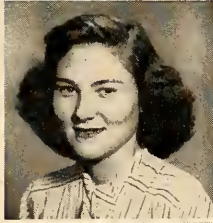

Mr. Troup and Mr. Utterback are the directors of our activities for this year. A few talented boys of the junior class participated in a hula dance for the all-school party. Near the opening of school we organized our class by electing our officers. The idea of co-officers appealed to us because it seemed new and different. Also both the boys and girls felt that in this way they were more fairly represented. Our officers are:

Co-presidents— Bill Nix and Darlene Luttrall
 Secretary and Treasurer— Joann Eaton and Leroy Gentzel
 Co-reporters— Dean McLarty and Albert Scott
 Co-sergeant-at-arms— Jean McLarty and John Sullivan

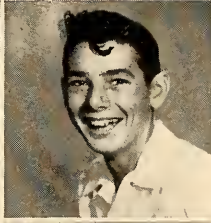

Our Class edited a student directory; the proceeds of which will go toward the cost of the Junior-Senior banquet.

When September came around this year, one hundred sophomores began their second year of high school. They met on October 13, 1947, and under the supervision of Mrs. Krebs, elected officers.

The sophomores have really entered into the school spirit this year. They had a booth at the All School Party, turned out for pep meetings and football games, and participated in the programs given for the school.

Several boys were on the first string in football this year, and four of them lettered. Many played on the "B" team, and several came out for basketball and track.

The sophomores have thoroughly enjoyed this year of school, and they are looking forward to two more exciting years.

The largest freshman class in the school's history enrolled in Stephenville Senior High School September 8, 1947, and set about their work with interest and enthusiasm.

Miss Grace Ogan and Mr. C. F. Crabtree were appointed sponsors of the class.

Led by the president, Lawrence Hancock, who was assisted by Vice-President Billy Little, Secretary-Treasurer Norma Hale, Reporter Jeanne Whitfield and Sergeant-at-arms Virgil Fincher, the class realized many objectives throughout the school year.

Because of the past successes of the present freshmen, much is expected of them, and the class will strive to fulfill these hopes.

Coach Murphy assumed the leadership of the football team in the spring of 1947. Since he has made an enviable record. He works hard and expects each member of his team to do the same. His knowledge of coaching techniques, his ability to handle men, and his secret of his success lies in his genuine friendship for every athlete in the squad.

STEPHENVILLE VS. BALLINGER

6

19

The Jackets journeyed to Ballinger for the first game of the season. Since most of the team were inexperienced, they couldn't click. They had had breaks too throughout the game. Although the Bears rolled along in the first half the Jackets stopped them cold in the last period of play, but running out of time lost the opener 19-6.

STEPHENVILLE VS. CLEBURNE

18

18

The Jackets played good ball on their home field against another Yellow Jacket squad from Cleburne. The game was a thriller from start to finish, ending in a 18-18 deadlock. This game was rated as game of the week by Dub King, sports writer for the Fort Worth Star-Telegram.

STEPHENVILLE VS. WAXAHACHIE

7

20

The Jackets, being the underdog, next played the Waxahachie Indians at Waxahachie. The Indians had to play their best ball to finally down the Jackets 20-7.

STEPHENVILLE VS. CISCO

7

0

After two losses and one tie the Jackets started rolling by downing the Cisco Lobos 7-0 in the first conference game. The Jackets played hard and fast all the way, having two consecutive touchdowns called back because of penalties.

STEPHENVILLE VS. BRECKENRIDGE

6

41

The Jackets suffered their worse loss of the season when they met the favored Breckenridge Buckaroos at Breckenridge. The Jackets just weren't clicking, and fell to the Bucks 41-6.

TOP ROW:

Ray Graves, A. R. Percy, Hudson Vaughn, Bobby Joe Shroyer.

BOTTOM ROW:

Marvin Fischer, Kenneth Scott, R. B. Parnell, Johnny Willingham, Alton Ray Hooten, Dean Roberson, Ben Baty.

STEPHENVILLE VS. ARLINGTON

14 0

Next the Jackets tromped the Arlington Colts 14-0. The Colts, from district 1AA, were no match for the 9AA Yellow Jackets. Although this was a non-conference tilt, it restored the morale of the team and gave them back their fighting spirit.

STEPHENVILLE VS. MINERAL WELLS

7 20

The Mineral Wells Mountaineers next challenged the Yellow Jackets at Hays Field in Stephenville. The Mountaineers scored first, but failed to kick the extra point. The Jackets scored next, and after kicking the extra point, held a 7-6 lead until the fourth quarter. The Mountaineers then tried every trick play they had, and succeeded in ringing up two more scores, for a 20-7 final.

STEPHENVILLE VS. WEATHERFORD

7 18

The Jackets tangled next with the favored Weatherford Kangaroos at Weatherford. This game was played on a wet field; neither team played its best. It was an action packed thriller with the Jackets right on the Weatherford goal line when the final whistle blew, ending the game with 18 points for the Kangaroos and 7 points for the Jackets.

STEPHENVILLE VS. RANGER

24 0

The Jackets romped over the Ranger Bulldogs 24-0 in a cold drizzling rain. The second string made a good showing in the last quarter. Most of these will operate from first string berth next year.

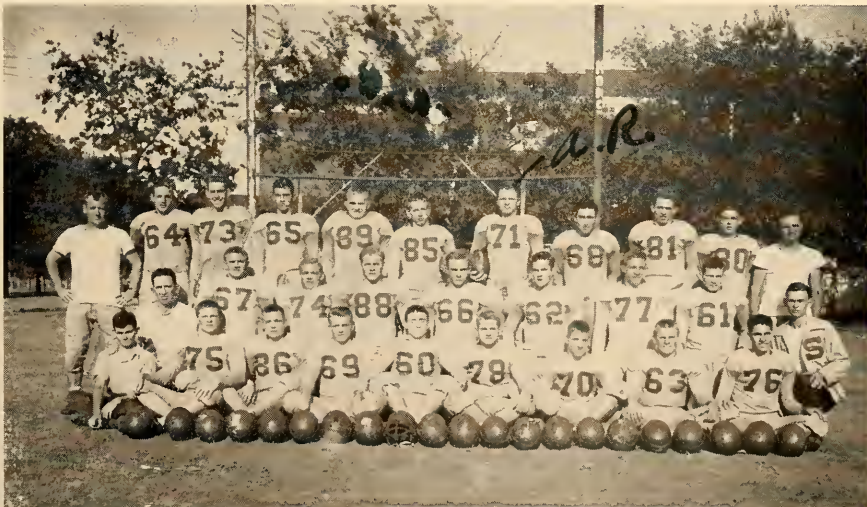

STEPHENVILLE VS. BROWNWOOD

0 6

The Jackets lost the game of the season with their traditional rivals, the Brownwood Lions. This game was played on Thanksgiving Day at Hays Field. It seemed for a while the game was going to be a scoreless tie, but about a minute before the half, the Lions recovered a Jacket fumble, and on the next play threw a long pass for a touchdown. Both teams threatened several times in the last half, but neither scored.

After graduating from North Texas State Teachers College Coach George Allen Uterback came to Stephenville High School. Along with Coach M. O. Murphy he worked hard with the "A" squad. After football season was over he was head coach of the 1947-48 basketball team.

Harry B. Stephens coached the freshman squad football team to decisive victories. He came to Stephenville High School to coach after graduating from Hardin-Simmons University. Because of his smart training and hard drill-some of the boys with whom he worked probably will make the varsity squad next year.

The Stephenville "B" team had a successful year, winning three and losing four games. Coach Stephens took the "B" team, which consisted of boys inexperienced in technique and playing, and made a running, hard fighting team. The first game was lost to Iredell 7-13. The Jackets came back strong, though, to beat a strong Hico team 12-0. The Pirates from Granbury then beat the Jackets the following week 6-25 on the Jacket home field. The Stephenville boys then romped over Comyne in their next game 25-14. The next week Strawn fought off a strong Jacket team to win 6-13. In a return game with Iredell on the Jacket home field the Jackets won their third game of the year 27-7. The final game of the year went to Comyne in a rough game to the tune of 7-21.

On the Jacket team, Hoss Ross was the chief offensive threat while Storms Walker, John Sullivan, and H. B. Garrett stood out on the line.

FIRST ROW:

J. W. McMahan Jr., Robby Atkinson, Johnny Brandon, Charless Neblett III, John Sullivan, Lawrence Hanenck, Donald Roherson, Frankie Isabell, Bobby Brummett.

SECOND ROW:

THIRD ROW:

Coach Stephens, Carl Derrick, Curtis Fallin, Virgil Fincher, Jimmy Everett, Leroy Gentzel, Junior Pack, Keith Lackey, Joe Fleming.

The Dirt Daubers of Junior High reorganized this year. The team was coached by Jim Mobley. Their first game was with Strawn on a muddy field. The "daubers" lost 6-0. The second game was played here with Comanche. The Indians beat 14-0 on the return game with Comanche the "daubers" with a score of 27-0. The last game the Junior High team played was with Strawn again. The score resulted at 13-0 in favor of Strawn.

Despite the fact that the opponents outweighed the "daubers" considerably, the team put up a good fight in all games and are looking forward to next year and a better record.

Coach Jim Mobley took the Junior High Boys in hand and taught them the fundamentals of football, the game he knows so well. He found and developed real material in this junior team, and the boys often played a brand of football for better than their years warranted.

FIRST ROW:

Mr. Mobley, coach, Bobly Brummett, mgr., Jimmy Taylor, Ben Jackson, Norman Dove, Jimmy Garrett, Albert Scott, Asst. coach.

SECOND ROW:

J. W. McMahan, mgr., James Young, Harry Breaner, Robert Strehack, Joe Jackson, T. N. Jackson, Jimmy Howell.

THIRD ROW:

Robert Langley, Donald Walker, Joe Sones, Harold Woods, Phillip Fenner, Truman Walker.

SPORTS ANNUAL

PICTURES ON PAGE 66

A. R. PEARCY—Back

A. R. proved to be one of the hardest hitting backs, the Jackets have had in a long time. As captain of the Jackets' squad he led them victoriously through the football season. When the Jackets needed a few yards for a first down, A. R. could be depended upon to supply them. A. R., a three year letterman, made Honorable Mention All-District, and will be missed in the seasons to come.

ALTON HOOTEN—Center

"Fingers" played a great season of ball for the Jackets at center. He was always in there fighting, and kept the opponent worried with his behind-the-shoulder tackles. He was as good on offense as defense, and helped open the holes in the line for the Jacket backs to run through. His good tackling and blocking won him Honorable Mention All-District.

MARVIN FINCHER—End

"Finch" took care of the right end of the Jacket line, and took care of it well enough to win himself Honorable Mention All-District. He was the player always down the field under those punts, and usually got his man. He was always on his toes and made the opponent's end-runs risky business. Fincher played hard, clean ball all season and will be missed next year.

R. B. PARNELL—Guard

"Bull" was the tough, hard hitting right guard of the Jacket line-up. He was usually just a little bit tougher than the man across the line from him, and there were very few players who could move him out of his position. Bull was always in there hustling, and made Honorable Mention All-District. He has turned in three good seasons of football for the Jackets, and was co-captain of the team this year.

KENNETH SCOTT—Tackle

Scott winds up his High School football playing with a brilliant record. He is the only Jacket that has been on first string for three years. His persistent and hammering tackles won him First Team All District, and Honorable Mention All-State. When things seemed to be going the wrong way, that was when Scott was his roughest. The opponent's passing was never safe with Scott rushing the passer constantly. His hard tackling, blocking, and his fighting spirit will be missed by the team next year.

LESTER LACKEY—Back

Lester, who was to be the Jackets' speed man, had to undergo surgery at the first of the season. He had all the fight and spirit of a real Yellow Jacket, and knew his business when it came to carrying the ball. Although later he was back in the Jacket line-up and did some fine ball carrying, the season ended before he had time to really get to rolling again. Lester was the type of player who made you feel as if the Jackets would be safe against any team. Here's hoping, Lester, that you can get into college athletics right from the start.

PICTURES ON PAGE 67

HUDSON VAUGHAN—Back

"Honky", who has lettered three years, ended his High School football playing with the reputation for being one of the best ground gainers in the district. About every other play Honky would come flying around end or plow through the line. He was the safety man on defense, and was as good a defensive man as offensive. Having played safety for the two preceding years, he was a veteran at the position, and proved his ability with many good punt returns. His pass interceptions and open-field tackles saved the team many touchdowns.

DEAN ROBERSON—Guard

Dean was the hardhitting left guard of the Jacket line-up. When Dean got his hands on a man, he was as good as down. His tackles usually connected about the knees, and a player has never been known to get loose from him or to drag him for yardage. He was the only Jacket of the season to play a full forty quarters without being substituted for. With his fine blocking and hard tackles, Dean has already made a name for himself with the Jackets. He will be back with the Jackets next fall, and a lot will be expected of him.

L. C. SHUFFIELD—End

L. C. was the big, fast Jacket left end. As a sophomore, he already played ball like a veteran, and with two years left to play, he should develop into one of the best players Stephenville has ever had. The rougher the game gets, the better L. C. likes it. He is also an excellent pass receiver, and his good catches gained many yards for the Jackets. Everyone will be watching L. C. for the next couple of years, and he will be expected to fill their expectations.

RAY GRAVES—Quarterback

Ray occupied the key slot of the Jackets' "T" formation, that of quarterback. With Ray's bullet passes connecting practically every time, opponents could never feel safe until the final whistle blew. If he was rushed, it didn't seem to make much difference, for he would evade them somehow and usually pick up good yardage. He was also very good at handling the ball. His fine passing, ball carrying, and punting won him a berth on the all district second team. He will be the key man of the Jacket squad next year, and will be expected to lead the Jackets through to many victories.

JOHNNY WILLINGHAM—Tackle

"Potty", who is the last of the well-known Willinghams, lived up to what was expected of him. His two older brothers had made quite a reputation for themselves while playing for the Jackets, and Potty followed close in their footsteps. He was about the biggest man on the team, and no player from anywhere was big enough to run over him. He was also one of the fastest men on the team, and used his speed effectively on kickoffs and punts. His good all round playing won him Honorable Mention All-District. This was Potty's last year, and the man that plays his position next year will have to play good ball if he fills it as well as Potty did.

BOB'Y SHROYER—Back

Bob's playing surprised everyone through the season. No one had known of his pass-catching ability, or his speed in carrying the ball. Bob'sy made some great catches throughout the season, picking up good yardage on them, and making touchdowns on some. He always had the fight and spirit of a real Yellow Jacket, and was always in there doing his best. He also showed ability in his pass defense, and saved the Jackets many yards by knocking down or intercepting passes. He will be back with the Jackets next year, and a lot of people are expecting some good playing from him.

PICTURES ON PAGE 68

HAL PILGRIM—End

Hal surprised everyone by starting out as a substitute, and ending the season on first string, and filling the position very well. He and Graves were a great passing combination, and he could always be depended upon to catch the ball if it were anywhere near his reach. The Jackets' passing attack could not have been complete without him. Hal has two years left to play, and should make one of the best ends Stephenville has had in many years.

WENDELL LACKEY—Guard

Wendell played some good hard ball for the Jackets at guard and tackle. He was very fast, and about as rough as any player in the district. His hard blocks and tackles always made the opponent wonder how anyone so small could hit so hard. He was always on his toes and in there fighting. He will be back next year, occupying a first string berth, and will be expected to be the roughest man on the team.

BOB RAMSAY—Back

In his first year out for football Bob showed the makings of a real player. He played enough this year to give an idea of what he was capable of doing, for he seldom ran with the ball without picking up at least ten yards. He's fast as lightning and will do a lot of ball carrying for the Jackets next year.

TOMMY SPELL—Tackle

Tommy, a 195 pound tackle, is another boy with the makings of a great player. He played good hard ball for the Jackets this season, and with his weight and experience he will be able to hold his own against anyone next year. Tommy works hard in practice, and can always be counted upon to be in there hustling in a game.

DAVID NEWMAN—Center

"Key's" great blocking, hard tackles, ball handling ability, and fighting spirit have proved him a true Jacket. He's always in there fighting all the way, and can get as rough as anyone. With two years left to play, he should be able to go as far as he wants to in football. Occupying the center slot next fall, he should be as good as any center in the district.

BOBBY BRUMMETT and J. W. McMAHAN, JR.—Managers

Bobby and J. W. took care of the job of keeping the field house clean and ready for the Jackets. They worked hard all through the season, keeping everything in tip-top shape, with little reward for their work. The team along with the whole school would like to express their appreciation for their fine work.

BASKETBALL

Winning nine conference games and losing three, the Jackets had a very successful season. They stood second in the district. Two of the lost games were to Brownwood; the first by only one point. Another game, that with Breckenridge, was lost by one point. The Jackets also won two tournaments, one at Ranger and one at Gorman with Ray Graves making the tournament team at both places. Wendell Lackey made the tournament team in Tarleton tournament. We were very pleased over the team's work this year, and next year also we should have some real basket ball played for S. H. S.

Top row: James Yancy, Ray Graves, Marvin Fincher, Don Lowery, Coach Utterback.

Second row: Kay Graves, Wendell Lackey, Darrell Sullivan, Allen Moody.

"B" TEAM

First row: John Sullivan, Bill Fanning, Jimmy Everett, James Sparks, Malcolm Woods.
 Second row: Lois Dean Jones, Oren Ellis, Jr., Donald Roberson, Greil Anderson.
 Third row: J. W. McMahan, Jr., Manager.

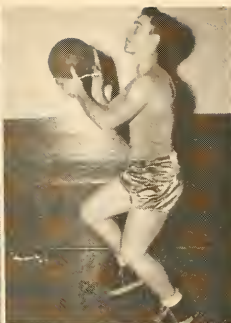

FRESHMAN TEAM

First row: Coach Stephens, Curtis Fallen, Richard Stone, Kenneth Haley, Dwight Brown.
 Second row: Grady Waggener, Gerald Washburn, James Young, Robert Strebeck, Audrey O'Neal.

KAY GRAVES

Kay was a fast, alert worker for the Jackets who has consistent hustle and determination. He will form a good part of next season's team.

WENDELL LACKEY

Wendel, also one of the high scoring men, had his one hand shot working at high speed in a great majority of the games.

DONALD LOWERY

Big Don showed great promise on the team this year, and we all expect him to do big things in basketball the next two years.

RAY GRAVES

Killer, who will be back next year, was a high scoring man and considered one of the best defensive players in the district.

ALLEN MOODY

Bugs has saved many a game by getting balls on the rebound and tapping them back in. We are sorry that this is the last year of his playing for S. H. S.

JAMES YANCY

Yank, the tree-topper of the quintet, was used most valuably in getting the rebounds. His help in this type of play will be missed considerably next year.

MARVIN FINCHER

Playing his last year for the Jackets, Fincher proved to be valuable in getting the rebounds. Through his defensive work, the team was able to hold down some of the high scorers in the opposing teams.

DARRELL SULLIVAN

Sully is a good ball handler, dependable, and will develop into a very valuable player.

YELL LEADERS

The yell leaders of 1947-48 have worked hard to help make this school a successful and enjoyable one. They did a wonderful job in keeping up the spirit, and not once did they let the rain or cold weather discourage them from showing real loyalty for our school, therefore, with love and appreciation we dedicate this page to the yell leaders of S. H. S.

STUDENT PARTICIPATION COMMITTEE

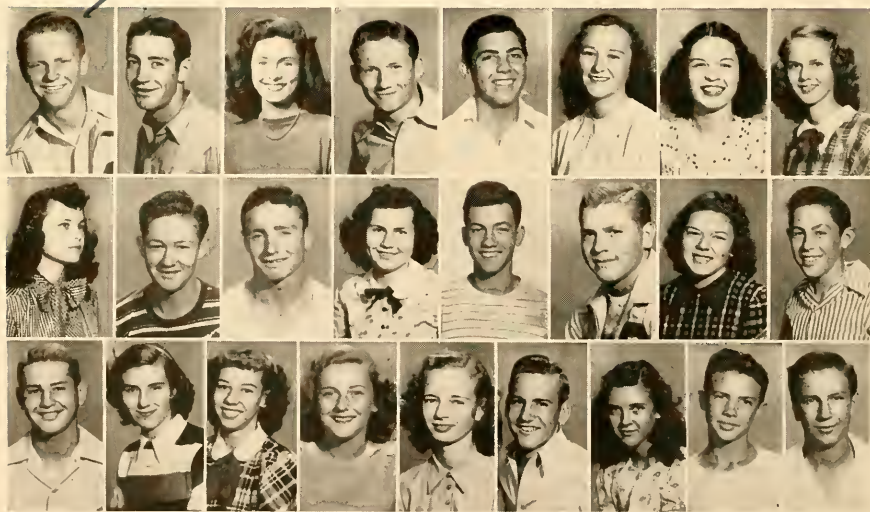

The Student Participation Committee of Stephenville High School is similar to the Student Councils of other schools. It is the governing body of the school. The purpose of the S. P. C. is to plan student activities and to create a closer relationship between the students and the faculty. Two pupils, with grades averaging 80 or above, are chosen from each home room to serve on this committee.

To be a member of this group one must not only have made a B average the preceding semester, but he or she must also be loyal to his school, teachers, and classmates. Members of the S. P. C. should be capable of leading and directing any activities of the school.

At the head of the Student Participation Committee is the President of the Student Body who is elected by the entire school. Other officers are vice-president and secretary-treasurer elected by the committee.

Some of the duties of the S. P. C. are to elect the members of the annual staff, to elect a fire chief who supervises all fire drills in the school, to plan assembly programs, to select who's who for the annual, and to sponsor school parties.

Miss Gail Russell sponsors the S. P. C.

FUTURE FARMERS OF AMERICA

Last year the American Jersey Cattle Club selected a F. F. A. boy to become the recipient of a registered Jersey heifer. The boy cared for the calf according to the agreement made with the Jersey Club; and in payment for the heifer, gave its first heifer calf back to the American Jersey Cattle Club. This new calf was then presented from the club to another F. F. A. boy under the same agreement. The following have received registered Jersey heifers: Preston Hook, Kenneth Carey, Fred Sydow, Bobby Gene Lay.

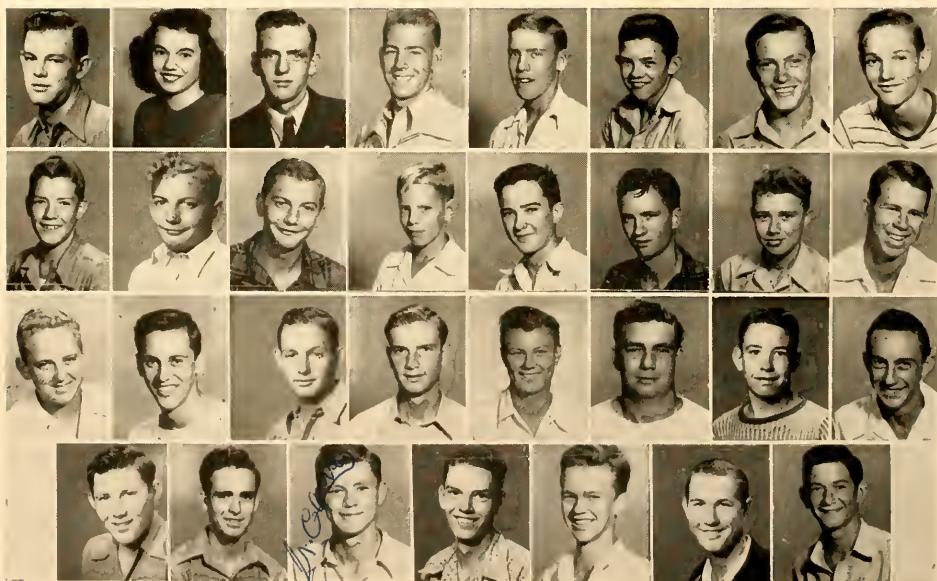

In 1944 the F. F. A. chapter purchased several guilt pigs and gave the animals to different members. The boys upon written agreement returned two guilts from the first litter. Those pigs were then given to other members of the chapter. Those who have received pigs are Jack Hancock, Isaac Savage, Fred Sydow, Raymond Kenny, and Jimmy Grissom.

Thirteen head of beef calves were fed this year by the Stephenville F. F. A. These calves are purchased from various ranches in the state and were finally exhibited at the Southwestern Exposition Fat Stock Show held in Fort Worth from Jauary 30 through February 8. These calves were also shown in the Erath County 4H and F. F. A. Beef Calf shows.

The chapter purchased a new tomato seed from the West Cross Timbers Experiment Station at Stephenville, Texas, which bred and raised this new seed. Our Chapter is acting as a mail order house for the new seed.

A dairy judging team, consisting of Fred Sydow, James Carter, Issac Savage, with Don Moore as alternate, attended the Houston Fat Stock Show. Out of seventy-eight teams the boys placed fifth.

The Stephenville F.F.A. chapter plan to attend the Texas State Judging Contest, Waco, and the Tarleton Judging Contest held at the College in Stephenville. A leather craft course will be instituted within the chapter and for the social activities there will be a Father and Son Banquet, and an F.F.A. and F.H.A. party.

<i>Treasurer</i>	DEAN ROBERSON

The Latin name of the Speech Club, freely translated, means good diction. Of course the aim of the club and of the speech class from which it draws its members is speaking correctly. The class is interesting, and, certainly, no other course could be of more value to the individual.

The Mirabile Dictu Club provides social activities for the speech class. A picnic at the Three Circle Ranch in Bluff Dale was the first affair. Initiation ceremonies were held that night. Another affair was a weiner roast at Possum Hill. That, too, was lots of fun.

Each year the speech class presents a play. The last one, "A Date With Judy," was well-acted, well-staged, and proved very popular.

First row: Marvin Fincher, Missy Grimes, Laudazelle Brown, Dean Roberson, Wyndal Dunn, Kenneth Scott, Ben Baty, Naomi Herndon, Peggy Lindley, Joyce Livingston, Nancy Sney.
 Second row: Lena Faye Walker, Malcolm Woods, Janice Alsop, Dan Bishop, Charles Carter, Joyce Dawson, Marceline Day, Bill Fanning, Margaret Gaines, Joy Hamilton, Louise Hamilton.
 Third row: Matruce Hutcheson, Betty Keith, Lucille Keith, Wendell Lackey, Darrell Lane, Darlene Luttrall, Marie MacDougal, Edna Morris, Pat Murphy, Wanda Pittman, Elmo Riggs.

"S" ASSOCIATION

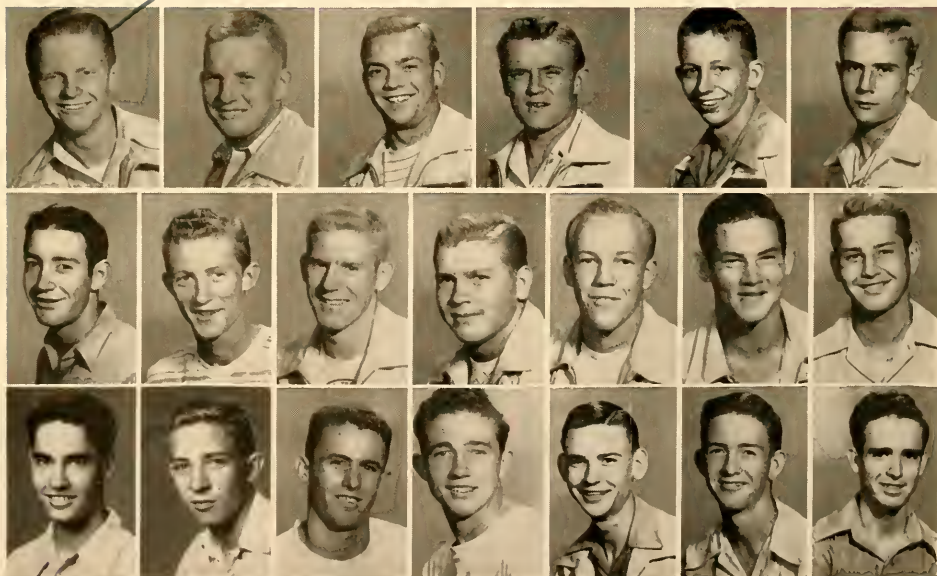

OFFICERS:

President HUDSON VAUGHAN
Vice President ALTON RAY HOOTEN
Sgt.-At-Arms DEAN ROBERSON

The "S" Association is composed of all the lettermen in athletics. It is an honor for a boy to become part of the "S" Association.

The club has had one social activity this year, a dance at the American Legion Hall.

STINGER STAFF

The "Stinger", after being discontinued for a year, was reorganized this year under the direction of Mrs. Rex Nixon.

The "Stinger" comes out very two weeks, and has an average of five pages per issue.

The staff, which was at first inexperienced, seems to be getting into the harness very well. Each staff member does his job well, and thus, has made the "Stinger" a paper that will be long remembered and carried on by future staff members.

First row: Mrs. Nixon, Mary Tom Roberson, Nancy Seay, Harold Parnell, Dean McLarty, Jean McLarty, David Newman, Hal Pilgrim.

Second row: Grace Meadow, Bobby Brummett, V. H. Bird, Joyce Dawson, Jo Jean Laughlin, Dean Roberson, Betty Grace Whisenant, Scotty Hale, Mary Jo Kenny.

The twenty-six members of Las Chaquetas have enjoyed many social activities this year. The first was the party at the home of Nancy Howell at which the new members were initiated.

Las Chaquetas celebrated Thanksgiving by having their annual Mexican supper in the school cafeteria. For this event Las Chaquetas invited Mr. and Mrs. Oren Ellis to talk to them about their travels to Mexico.

The main activity we are now anticipating is the picnic at the end of school. Mrs. Phoebe Isbell, the sponsor, is very active in all these events and in the advancement of Las Chaquetas.

First row: Grace Meador, Pat Moore, Maryneal Jackson, Mary Louise Russell, Ikey Newman, Nancy Scay, Willie Stem, Edna Morris.

This year the Golden Rule Club was first organized. Its purpose is good will, which we have tried to carry out. We began by taking several Thanksgiving baskets, containing meat, fruit, and vegetables to needy families. We have tried to create a useful, helpful, and social club, and we hope it will continue. The club consists of thirty-eight members.
